

Primary Specimen Container Labeling

At Avero Diagnostics, we are committed to protecting the integrity of each and every patient specimen. As a College of American Pathologists (CAP) accredited laboratory, we adhere to their requirements regarding patient identification of all primary specimen containers.

Two forms of patient ID are required. Examples of acceptable identifiers include:

1. Patient Name (REQUIRED)

2. Plus at least one of the following:

- ✓ Patient DOB
- ✓ Patient SSN
- ✓ Requisition Number or Label
- ✓ Accession Number
- ✓ Unique Random Number shared between the requisition and primary container

Please contact Avero Diagnostics at **877.232.9924** if you have any questions or need additional information regarding our commitment to patient specimen integrity.
